

POLISH FOREIGN MINISTER RESIGNS; PRESS AROUSED

Threats Heard To Mobilize Army of "Polish Heroes".

SUPREME COUNCIL MAY TAKE ACTION

British Consider Sending More Men To Upper Silesia.

Warsaw, Russia, May 20.—Yielding to the pressure of the Allies, and others concerned in the Upper Silesian controversy Prince Sapieha, Polish Foreign Minister, has resigned. His resignation and other events aroused the Polish press to a frenzy of anger, which in threat that "an army of Polish heroes will be mobilized to fight Great Britain, Germany or anybody and everybody."

MEETING DELAYED

Paris, France, May 20.—The French Foreign Office today announced that the meeting between Premiers Briand and Lloyd George is not expected to take place before the Supreme Council meets the latter part of this month. Previous reports said the meeting would take place tomorrow.

This is taken as an indication the entire Silesian controversy will be laid before the Council for settlement. The two premiers are prepared to fight out their own individual views.

Italy and Japan each will have a vote in the settlement and the United States will have a representative present.

Messengers have been employed frequently by the two outstanding figures in the controversy, as to whether Germany or Poland is to have the upper hand. Premier Briand's last words to Lloyd George were that he would be glad to hold a conference with him, but that he was unwilling to attend a Supreme Council session until an agreement had been reached in Silesian affairs. He declared an understanding finally reached would be unanimous, as provided under the treaty of Versailles.

MAY SEND MORE TROOPS

Paris, France, May 20.—The dispatch of two additional battalions of British troops to the Upper Silesian territory is under consideration in London, according to advice received here. The troops, it was stated, will be added to the small Allied forces dispatched to preserve order during the recent plebiscite in Poland, and which proved too small to withstand the invasion of the Polish insurgents.

MAY EXPEDITE KNOX PEACE RESOLUTION

Washington, May 20.—Indication are that the Knox Peace Resolution will be expedited in the House. Chairman Porter, of the House Foreign Affairs Committee is calling a meeting tomorrow to discuss plans.

SAY RAIL REMOVED.
TRAIN WRECKED

Augusta, Ga., May 20.—One person was killed and several injured in the derailment of an Atlantic Coast-line train near here today. The engineer is dead. Passengers and crew were slightly injured. It is believed a section of rail was taken from the track.

Find Body Of Missing Child

Newark, N. J., May 20.—The body of 3-year old Archie Northrop, Jr., missing since last Monday, was found today in the Passaic river, more than 1000 participating in the search. One of the most faithful searchers was a police dog, and at one time over fifty men were diving in the river in an attempt to locate the body. The mother continued optimistic until the end. Another son was born to her yesterday, but despite adverse happenings her condition is reported satisfactory.

VOLSTEAD MAY ASK MORE MONEY FOR ENFORCEMENT

Washington, May 20.—In an endeavor to prevent complete breakdown of Federal Prohibition enforcement, threatened by the announcement that federal enforcement agents will be laid off Friday on account of a lack of funds, Representative Andrew Volstead, father of the Dry Act, and other dry leaders are considering a way to provide an additional \$200,000 in the appropriation bill which comes up in a few days. Should the leaders decide to make the fight the appropriation will probably pass as Prohibition appropriations usually do.

GAME TO THE END

Weatherfield, Conn., May 20.—With a rose in his buttonhole, Elwood P. Wade, 23, went to his death debonairly. He was hanged here this morning for the murder of George Nott, of Bridgeport, whose wife he loved. "Well, good bye everybody," he said, as he entered the death chamber. He had another rose in his hand, in addition to the one he wore in his lapel. "I want to be game to the end," he said with a grin. The grin remained on his face when the black cap was slipped over his face. 23 minutes later he was dead.

FORMER BARTENDER FOUND GUILTY IN R. R. TICKET DEAL

Pittsburgh, Pa., May 20.—After deliberating all night, the jury in the case of Joseph Dwyer, formerly a bartender in a local hotel, charged with conspiracy in the sale of \$60,000 worth of Pennsylvania Railroad tickets, unlawfully withheld by Pullman conductors and later redeemed, returned a verdict of guilty with a recommendation for mercy, shortly after 10 o'clock this morning.

Mrs. Lee Linsenbiger has returned home after a two weeks visit with her sister Miss Hazel Cramer, of Cleveland.

Labor. Chief?

Rumors in important labor circles say John L. Lewis, president of the United Mine Workers of America, will be a candidate to succeed Samuel Gompers as head of the American Federation of Labor.

LET HARDING DO IT

Washington, President Harding is preparing outspoken advice to the business world, to be delivered in a speech at New York City Monday, it is understood. The rough draft of the address which it is understood President Harding is working on today, indicates he is growing impatient over the failure of retail prices to go down to pre-war levels. The address will be delivered at a dinner in New York which will be attended by leading publishers and business men, will deal principally with business and labor problems. It is understood the President will take that occasion to serve notice to both to cease looking to the government for a remedy.

Von Hindenburg With Germany's Industrial King

This picture, just received from Germany, shows von Hindenburg (center), former field marshal of the German army, in conference with Germany's king of industry, Hugo Stinnes, and Mrs. Stinnes. The former army commander still has hopes for the old regime and won't discard his glittering uniform.

FOREIGNER CHARGED WITH WALL STREET BOMB EXPLOSION

Bayonne, N. J., May 20.—Trembling and muttering unintelligently, Giuseppe DeFilippo, an unaturalized Italian, was arranged today in Jersey City on a charge of illegally exploding a bomb in Wall street last September, the explosion causing death of 39 persons.

Handcuffed to a Deputy United States Marshal, he was taken before the Commissioner, where he was surrounded by police and Department of Justice agents, who had been questioning him for the last twenty-four hours. He merely muttered when asked if he had any statement to make regarding the charges. Attorneys for the client said he meant "I know nothing of it. I don't even know where Wall street is."

Warrant Served in Jail. DeFilippo is charged with being the driver of the "death bomb wagon," which carried the bomb. A warrant charging him with attempting to blow up an United States federal building was served on him in his cell here this morning.

He says he was in Bayonne on the date of the explosion, and also that he had sold his horse and wagon the day before. He has been identified by three persons as the man they saw in Wall street shortly before the blast.

Burglars Loot Clearfield Milk Depot Thursday

Burglars visited the Clearfield Milk Depot on Reed street Wednesday night last and succeeded in getting away with \$12 in money.

Entrance was gained by tearing the screen off a rear window and forcing the window. The money secured was taken from the cash register. A roll top desk in the office, which contained considerable money was jimmied by the burglars and the lock had almost given way when the marauders were frightened away, getting out in such a rush they left their jimmie behind them.

Mr. Healey visited the milk depot after the show that evening and it is possible that his visit was what disturbed the burglars before they succeeded in getting the desk open.

CONSTITUTIONALITY OF PA. LAW IS TO BE TESTED

Albany, N. Y., May 10.—The constitutionality of a Pennsylvania law has been put up to Attorney General Newton, of New York State, who has been asked to pass on the recently enacted law of the State of Pennsylvania which imposes a tax of 1-2 per cent. on the price of anthracite coal. Its validity was questioned by the Syracuse Chamber of Commerce, who contended the effect of the legislation would tend to increase the price of coal, the companies passing the tax on to the consumers.

"ALL ABOARD" MAKES ITS LAST APPEARANCE HERE

Thursday Night Show Pleases Large Audience. Neat Sum Realized.

The second showing of "All Aboard" at the Driggs Theatre by local talent last evening, was enjoyed by an audience which filled the big theatre almost to capacity. As is customary with home talent productions, the performance was an improvement even on the initial show Wednesday evening.

"All Aboard" was given for the benefit of the baseball team and a handsome sum was realized for this purpose. Those participating in the show have every reason to be proud of their rendition of "All Aboard" and may rest assured the entertainment was worth the price asked. It was a great show.

ROAD FOREMAN IS INJURED WHEN CAUGHT BY CAR

George Madden, foreman for Fowler & Anderson on the State highway between Clearfield and Curwensville, was taken to his home in Lock Haven today where he will recuperate from injuries received in an accident which might have had much more serious results.

On Wednesday afternoon Foreman Madden attempted to drive a Ford car over a newly laid stretch of base prepared for the concrete when the car skidded and went over the bank. The car turned upside down and Madden pitched head first down the bank. Rolling over twice the auto finally landed on top of Madden at the bottom of the incline. The running board caught him across the breast squeezing and bruising him severely while a large vein was cut in his right foot.

The car was lifted off the badly injured man and he was removed to his room on Tarnpike avenue, where he has since been under the doctor's care. He recovered sufficiently to warrant his removal to his home today, but it will be some time before he will be able to return to his employment.

WILL FIX FOUR MILE ROAD NEXT WEEK

Local people interested have arranged with Forester Dague to go to the mountains next Tuesday and Wednesday to assist the state crew in fixing up the "four mile road." A meeting of those interested will be held in the Borough Building Monday evening at 8 o'clock.

JOHN ROBINSON'S CIRCUS ROLLS INTO CLEARFIELD IN EARLY MORNING HOURS

CIRCUS LOT COMPANIONS

White Tops Go Up Rapidly. Weather Fine

John Robinson's circus is in town today, and the hearts of the old and the young are light again. For the time-honored title, John Robinson, means more to Clearfield than the usual circus, for many years ago, so the legend runs, the attaches of this circus saved the town from destruction by fire when a big hotel near the circus cars caught fire and the conflagration would have spread to the entire city had not the circus employes rallied and by dint of hard work, extinguished the flames. The first section arrived in town, with the parade paraphernalia, the menagerie, cook tents and side shows, shortly after eight o'clock. The second section, with the huge spool wagons, with the big top canvas, the ring horses and performers, arrived an hour later. Shortly before noon the pageant left the show grounds and made a tour of the principal streets. This afternoon's matinee was largely attended. Among the host performers were the famous Nels family of 8 versatile performers who have been headliners in America and Europe; the Nine Flying Wares sensational flying trapeze artist; the Tamaki Japanese Troupe; the Ching Toy Chinese Troupe; Joe H. Gini and Cecil Lowande, premier bareback riders; Nettie Dill, Mrs. Montgomery, Blanche Reed, and Et Hodgkin, dainty equestriennes; the Eight Tangerians Arabian troupe and a host of other circus celebrities. Themanagerie is one of the best and was augmented today by a large Bengal tiger and two leopards, which arrived here from the Hagenberg Animal Farm at Hamburg, Germany, and was added to the twenty cages of wild animals now carried by the Robinson circus. The tiger is a rare species of the royal Bengal family and cost \$1,500. Tonight's performance will start at 8 o'clock, with the doors of the circus opening promptly at 7, for the public inspection of the menagerie.

CATHOLIC WOMAN'S ORGANIZATION HAS FIRST ANNIVERSARY

Celebrates the Happy Event With Delightful Banquet at Dimeling Hotel Last Evening

PLEASING FUNCTION

Clearfield Court, Daughters of Isabella, celebrated the first anniversary of their organization in Clearfield with a timely appointed banquet at the Dimeling last evening. The daughters of Isabella, the name of which organization has but recently been changed to the Catholic Daughters of America, is an Auxiliary to the Knights of Columbus, and the local organization membership is made up of the women of the Catholic parishes of Clearfield, Curwensville and Grampian. The membership of the local court totals almost one hundred and fifty women. They are banded together for closer social intercourse, the dispensing of needed charity without distinction of creed, the uplifting of the morals of the community and the furtherance of the movement seeking to advance the material, moral and spiritual interests of the community as a whole. The growth and accomplishments of the new organization during its first year have been highly satisfactory and the ladies responsible therefor, are very much pleased over the results attained. The banquet was all that could be desired, the menu provided and the manner of its service eliciting much praise from the banqueters. When "coffee was reached" Rev. M. A. Ryan assumed charge of the assembly as toastmaster and after congratulating the ladies on the pronounced success of the organization during its initial year, proceeded to preside over the carrying out of the delightful program prepared for the occasion.

The Reverend Toastmaster was at home on the job and "poked a wag" in his every introduction. H. S. Whitman, Jr., was called upon to tell of "The Year's Accomplishments," and he did so in a highly satisfactory manner, pointing out the great work of the K. of C. throughout the country and complimenting highly the Daughters of Isabella for their share in this great work, with especial commendation for the local court.

Miss Cecilia Bonner was then called upon and sang Tosti's "Good Bye." The pretty solo was admirably rendered and brought richly deserved applause from the pleased hearers. "What a Progressive Catholic Woman's Society Can Do," was the subject assigned J. D. Connelly. The speaker pointed out the large field for effort in this community and counseled a continuance and enlargement of the year's effort on the part of the organization. Miss Mary Malloy recited "The Movie Fan" in her usual highly pleasing manner, after which Mrs. Ruth Eisenberg, one of the most active spirits in the organization, extended a cordial welcome to the organization to the Knights of Columbus, specially for many courtesies shown during the year and to all who had assisted them in their success. Mrs. Eisenberg's remarks were enlivened by witty sallies and quiet humor, high added zest to every point made.

Rev. M. J. Fitzgerald, of Grampian, was next introduced and extended heartiest congratulations to the ladies upon the pronounced success of their organization during their first year and closed with a prophetic of even greater things for the future. Rev. P. A. Lynch, the "speaker of the evening," was given a happy introduction by the toastmaster and delivered a very fine thirty minute address, in which he complimented the women on what they had already accomplished and pointed the way to much better things in the future. He advised them to take even more active part in the affairs of their home community. He spoke of the wider field for women opened by the conferring of the right of suffrage upon them and urged one and all to accept the added right and responsibility and exercise the same, by helping make our glorious country.

try better morally, spiritually and educationally.

The toastmaster then called upon John Brophy, who closed the program with a pithy little talk, in which he called the attention of his auditors to the situation of our country today and directed the attention of the women to the added burden reconstruction put upon them and counseling them to face the future and its added responsibilities with the same determination to succeed, that marked the efforts of their organization during the past year.

which effort, with the co-operation of the other women's organizations throughout the country, would insure a satisfactory solution for America.

Father Ryan announced the end of the program and his benediction brought to a close a happy occasion. Following the banquet the younger members of the organization gave a dance in the Dimeling hall room, which was largely attended and very much enjoyed. "Allen's Jazz Babies" orchestra furnished the music for the evening.

Professor Budlong Puts Tanlac To Test

"It's an actual fact, I'm in good health for the first time in thirty years and I owe my present splendid condition to Tanlac and nothing else," was the emphatic statement of Prof. C. J. Budlong, well-known and highly respected citizen of Manchester, N. H., residing at 42 School street.

"Practically all my life I had had rheumatism, and when I say rheumatism I mean every word of it. It was all over my body and especially bad in my feet and legs and there were times when I couldn't get from my bed to my chair without help. And from the time I was a boy I couldn't sit down and enjoy a good meal without being in misery afterwards, and I would have terrible pains around my heart and frequent attacks of palpitation and dizziness.

"I had a stubborn case of constipation, was troubled awfully with blinding headaches and hardly knew what sleep was. My suffering had almost made a complete nervous wreck of me and I was so weak I wasn't worth a nickel, as far as work was concerned. I thought my troubles had a life-long grip on me and was about as discouraged as a man ever gets.

"Well, before I had finished my first bottle of Tanlac I realized it was different from anything I ever tried. It suited my case exactly. And now for almost the first time since I can remember, I can eat anything I want and digest it. I haven't an ache or pain and have gained in weight fifteen pounds. I just feel good all over and am full of life and energy these days. Everywhere I go I talk Tanlac. It hasn't an equal."

"By Skinny"

AN EDISONIAN EXAMINATION

One of "the collyum's" friends contributed the following, which is the exact copy of the examination of Johnny Seyler, a County Home inmate, who was struck by an automobile driven by a Woodland man on Monday evening last, while on his way to town.

Dear Skinny:—

A man from the County Home was run down by an auto this evening and had his leg broken. At the hospital the resident physician took his history, and among the answers given were the following:

Doctor—"Where do you live?"

Patient—"Acorn Hill."

Doctor—"How old are you?"

Patient—"I don't know."

Doctor—"When is your birthday?"

Patient—"Every year."

Doctor—"What was your mother's maiden name?"

Patient—"I don't know. I was very young when my mother was married."

Doctor—"Is your father living?"

Patient—"No."

Doctor—"What did he die of?"

Patient—"He was hung at the jail for running around with too many women."

Doctor—"How did you get hurt?"

Patient—"An automobile run over me. Say Doc, I smashed one of his lights off, do you think he will make me pay for it?"

Killing of such fur-bearing animals as the skunk, mink, muskrat, otter and opossum is forbidden in Pennsylvania except between November 1st and the last day of the following February, under terms of a bill signed by Governor Sproul. Racecoons may be killed between October 1st and January 31st. The bill is the first to be passed to protect such animals, whose fur has been much in demand. The bill also forbids use of explosive, chemicals or poisons in taking the animals, and neither may they be smoked out of their den or trees he cut down. Exceptions are made in cases where fur-bearing animals injure property. It is made unlawful to disturb traps or to sell the pelts except in the season or fifteen days thereafter.

The headquarters of the local bootleggers' Association has taken on unusual activity since it was learned that on account of lack of funds, two-thirds of the force of Federal prohibition enforcement officers, will be laid off for a period of 40 days, starting today.

Two bootleggers who operate an illicit still of large proportions at a point in Jefferson county, two miles from DuBois, were in Clearfield on Monday soliciting trade. They had set up a "local agent" and attempt to dispose of a "batch" of their goods. The agent asked to be shown and was transported to the plant, which he says was turning out almost 50 gallons of "awful stuff" every day it operated. He said he was offered a sample of the product of the still from a bottle stored in an empty phosphate sack, but even he couldn't stand that.

In comparing local conditions with DuBois, the local expert sadly remarked that "DuBois bootleggers could get away with murder; traffic conditions over there are so good for the trade."

FINE LECTURE

Dr. John C. Collins, pastor of the Curwensville Methodist church, delivered his lecture "Smiles" in the Woodland M. E. church last evening. He was greeted by a large and appreciative audience. His lecture was entertaining and inspiring and full of good advice.

The speaker's subject featured a song by Mr. Frank McDowell, of Clearfield, piano duett by Celia and Bessie Baber and a song entitled "Smiles" by eleven little girls which was very appropriate to the occasion. All the musical numbers were highly appreciated. A liberal silver offering was received.

Steals Another Nest.

There are few birds that lay their eggs in the nests of other birds, the latter being of entirely different species or even families, says the American Forestry Magazine. The nestlings of such species are reared by their foster parents. The cuckoo of the old world has this habit while with us it is the cowbird which is the guilty one. In either case only a single egg is deposited, and the young cuckoo, as it grows, manages to push the rightful occupants off the nest, being fed by their parents until it is ready to start for itself.

HOLDING ALOOF
Critics who bewailed the action of President Harding in accepting the invitation of the Allies to send unofficial representatives to the Supreme Council, Reparations committee meetings and the Ambassadors Conferences, are ominously silent since Secretary Hughes made his reply to the Polish minister the other day regarding the stand of this government in the Upper Silesian controversy. Those who had criticised the President's action predicted that while the intentions of the executive might be only protection of our economic rights, it would be impossible to escape embroilment in political issues on the other side of the water.
The Silesian question is purely a political issue, so far as the United States is concerned. Secretary Hughes in responding to the appeal for aid sent from Poland to the United States continued his demonstration of the possibility of meeting every obligation and serving every interest of the United States in the European situation and at the same time refraining from meddling with European affairs.
In his communication the Secretary said:
"In my opinion the settlement of such boundary disputes as arise in the matter under consideration is a matter of European concern in which, in accordance with the traditional policy of the United States, this Government should not become involved. The attitude of the Government in this matter is clearly understood, by its representatives in Europe, who will, therefore, so far as at present may be seen, take no part in the discussions concerning Upper Silesia and will express no opinion as to the settlement."
A wise and diplomatic reply, and one that should silence, at least for the time being, the adverse criticism of opponents of the administration in our Foreign policy.

TWO EMINENT AMERICANS
Death in a single day found two shining marks among eminent Americans in public life. Edward Douglas White, Chief Justice of the United States, had rounded out a long career, which carried his usefulness more than a lustre beyond the Psalterist's allotted span of three-score years and ten. No more significant sign of a new era in the nation could have been given than the position by a Republican President, of a Democratic, ex-Confederate officer, to the highest judicial position under the Constitution.
Service in the Senate of his native Louisiana and on the Supreme Court of that State, together with three years in the United States Senate, endowed Edward Douglas White with a superior equipment for the work as Associate Justice of the United States Supreme Court to which he was called by President Cleveland in 1894. His legal learning, his statesmanlike approach to the great problems of public policy as they arose in the world, and his sturdy independence in sustaining established constitutional principles regardless of run his damaged car to the garage what might have been presumed, to be

NOTICE
Notice is hereby given that application has been made to the Public Service Commission of the Commonwealth of Pennsylvania, under the provisions of the Public Service Company Law, by supervisors of Chest township, Clearfield county, for a certificate of public convenience evidencing the Commission's requisite approval of the construction of a crossing at grade over the railroad tracks of the Pennsylvania Railroad at a point about two thousand feet from the terminus of the proposed road in Chest township.
A public hearing upon this application will be held in the Arbitration Room of the Court House in the Borough of Clearfield, Pennsylvania, on Friday, the 2nd day of June, 1921, at 9:30 o'clock a. m., when and where all persons interested may appear and be heard.
MILLER & HARTSWICK, Attorneys for Applicant.
AN ORDINANCE
Laying the taxes for Borough purposes for the Borough of Clearfield for the year 1921, and fixing the commission to be allowed to the Collector of said taxes.
Be it ordained by the Council of the Borough of Clearfield, in council regularly assembled, and it is hereby ordained and enacted by authority of the same:
Section 1. That the taxes for Borough purposes in the Borough of Clearfield for the year 1921, be and are hereby levied upon the last assessed valuation for county purposes, as follows:
For general Borough taxes 9 mills
For Borough Bond tax 6 1/4 mills
For Light and Water taxes 2 1/2 mills
Section 2. That the Collector of said taxes be and is hereby allowed a commission of two per centum on all moneys paid to him for taxes on which an abatement of five per centum is allowed, and a commission of five per centum on all taxes afterwards collected.
Ordained and enacted this 16th day of May, A. D. 1921.
J. F. PLETCHER, President of Council.
Attest: J. D. CONNELLY, Secretary of Council.
Examined and approved this 16th day of May, A. D. 1921.
JOHN M. CHASE, Burgess.

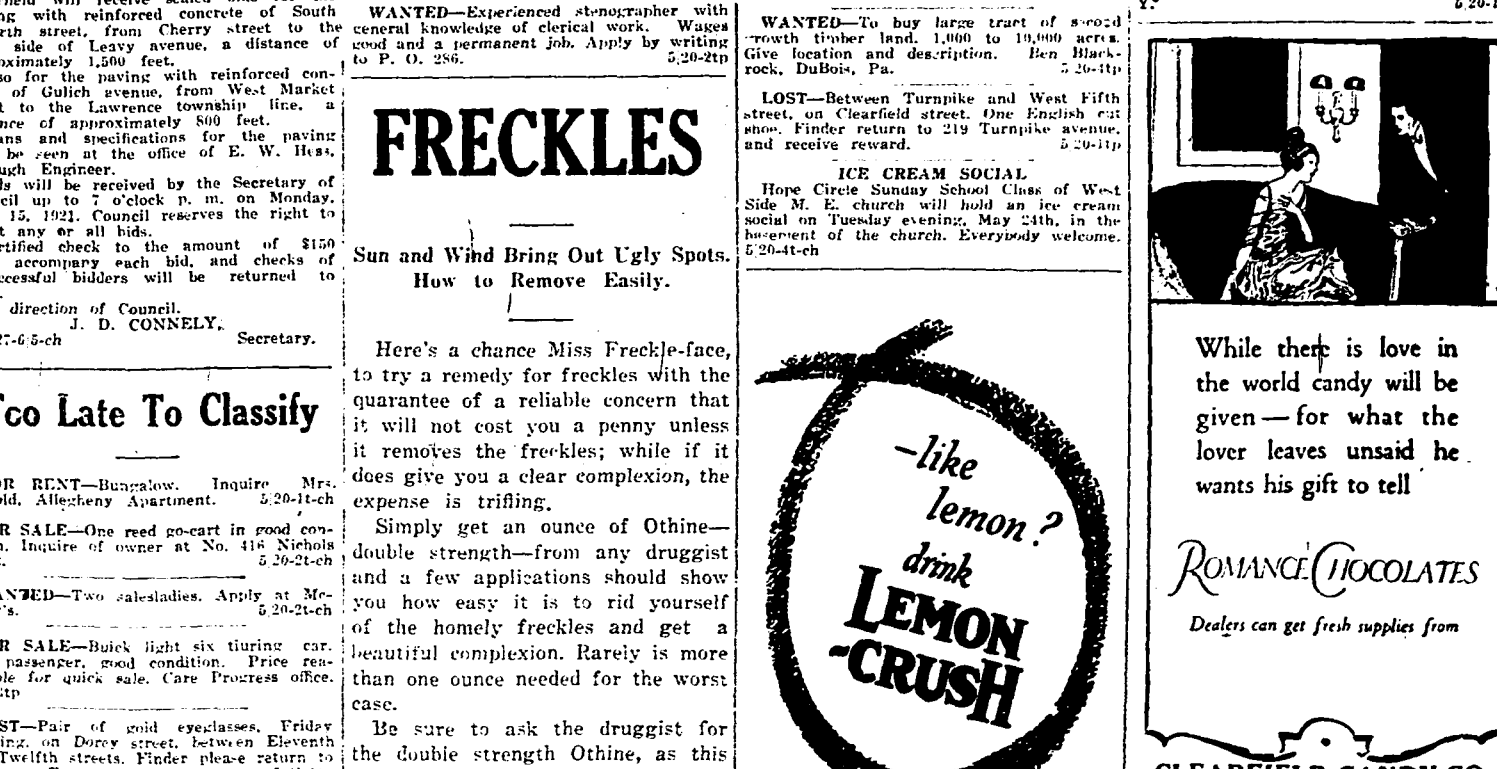

BOROUGH NOTICE
Notice is hereby given that an ordinance, of which the following is a true copy, was introduced before the Council of the Borough of Clearfield, on Monday, May 2nd, 1921, and will be adopted by that body on Monday, June 6th, 1921, at eight o'clock p. m., unless sufficient reason is shown to the contrary.
AN ORDINANCE
Authorizing the grading, curbing, guttering, paving and otherwise improving of South Fourth street, from Cherry street to Leavy avenue, in the Second Ward of the Borough of Clearfield, Pennsylvania; fixing the width of said paving and providing for the assessment of a portion of the cost of said improvement back to the owners of properties abutting on said street.
Be it ordained by the Council of the Borough of Clearfield, in council regularly assembled, and it is hereby ordained and enacted by authority of the same:
Section 1. That South Fourth street, from Cherry street to Leavy avenue shall be graded, curbed, guttered, paved and otherwise improved to the width of twenty-three feet.
Section 2. That combined concrete curbs and concrete gutters shall be constructed on both sides of said street and shall be set so as to make the driveway between the curbs of a uniform width of twenty-two feet, that said street shall be graded as may be found necessary to give a uniform surface, and the driveway shall be paved with concrete.
Section 3. The grading, curbing, guttering, paving and otherwise improving of said street shall be done by the Borough of Clearfield, under the direction of the Borough Engineer.
Section 4. The cost and expense of constructing combined concrete curbs and concrete gutters shall include all the work incidental thereto such as setting of curbs and gutters, expediting expenses, costs of advertising this ordinance and the assessment ordinance, and everything whatsoever that may be necessary in the construction of said curbs and gutters and the assessment of the cost thereof, and shall be paid by the owners of the properties abutting on the part of said street as improved, and the cost of moving the driveway shall be paid by the Borough of Clearfield.
Section 5. The entire cost and expense of said improvement shall be made up by the Borough Engineer, as well as the cost and expense of constructing the combined concrete curbs and concrete gutters, and the pro rata share or assessment of each abutting property owner for the cost of constructing said combined concrete curbs and concrete gutters, shall be determined on the basis of the number of feet of the respective properties abutting on said street as improved, which assessment, if not paid promptly, shall be collected from the owners of the real estate abutting on said improvement in the manner provided by law.
"Ordained" and enacted this --- day of --- A. D. 1921.
Attest: --- President of Council.
--- Secretary of Council.

and street. Hugging the wall, he attempted to avoid a collision, but the Rumberger car caught his machine about the rear wheel, smashing the rear end of the car considerably.
The impact of the blow threw a little son and daughter of the Kesters out over the side of the car onto the brick street, bruising and shocking them severely. Mrs. Grubb was sitting on the side where the car struck them and was badly bruised about the side and arm. It was thought at first the arm had been broken but fortunately that did not prove the case. Mrs. Kester was also considerably bruised and shocked.
The injured were taken to their homes, where medical attention was given them. Mr. Kester was able to run his damaged car to the garage for repairs.

BILL UP TO SUSPEND FURTHER PUBLICATION OF SLACKER LIST

Washington, May 20.—A bill ordering the War Department to suspend further publication of the so-called slacker list until complete information is secured was introduced today by Senator Stanley, of Kentucky, Democrat.

FORMER RESIDENT DIES

George S. Moorehead, of Brownsville, Pa., died at the West Penn Hospital, Pittsburgh, on Wednesday evening last at 8 p. m. The deceased was a former Clearfield resident and had many friends in this section. He learned the jewelry business with H. F. Naugle and his wife was a Luthersburg girl.

His funeral will be held from his late home at Brownsville Saturday afternoon.

MURDER CHARGE DISMISSED

Farmington, Mo., May 20.—The charge of murder against Letta Parsons, "the Baby Bride of the Ozarks," was dismissed here today. The 13 year old girl was accused of killing her six year old stepchild. She will be held in custody to answer a charge of first degree manslaughter in connection with the killing.

The trial will be held in Juvenile court. Prosecuting attorneys withdrew the murder charge when the judge ruled the girl was too young to try in circuit court, where she would face a death sentence if convicted.

**Graduation Gifts**

Giving a graduation gift is a simple matter but the selection should have the most painstaking care. We anticipated this sort of thing months ago and our showing of gifts for the graduate is one of wide variety and of enchanting beauty.

Then there's the utilitarian side—they're all useful. Hardly a gift but what can be used in some way to make the coming event one of the epoch marks in the graduate's life.

May we aid you in your selections?

No Fear of 13.
 There may be superstitions connected with numbers 13 and 23, but hotel guests seldom express them when rooms bearing hoodoo numbers are assigned to them, say hotel clerks. The direction of the bed in the room or the amount of light is the basis for more superstition than jinx numbers, the clerks declare. Dark rooms, the guests object, are "spooky," and they do not care to occupy them. Their protest against the direction in which a bed is pointing is made on the ground that it is hard for them to sleep with their heads lying in an unaccustomed direction, and furthermore an ill omen is attached to doing it.

Fine Body of Men.
 Col. John S. Ford, himself a ranger, soldier and newspaper man, summed up their qualities in these words: "The Texas Ranger can ride like a Mexican, trail like an Indian, shoot like a Tennessean and fight like a very devil." Above all, these frontiersmen were the embodiment of individualism. It was their outstanding trait, their chief characteristic. They were self-reliant and resourceful, frequently extricating themselves from difficulties, not by fighting, but by quick thinking. Only one thing in warfare they had forgotten in their long struggle with a dual foe, and that was to surrender. They gave quarter—sometimes—but never asked and never expected it.

GRAMPIAN BEAR CATS DROP GAME TO WILD CATS

Clearfield Squad Gets A Flying Start in First And Wins Easily

Linsenbiger's ball tossers got back out of the "house cat" class, for a day at least, when they clawed the daylight out of the Grampian team at the Driving Park grounds yesterday afternoon.

Grampian trimmed the "cats" on their native hills last week and had visions of regaining when they started out in the first inning yesterday, by pushing two runs across the rubber. It proved to be but a "flash in the pan," however, as, despite the fact that they had men on the bases several times, they were unable to score again until one man oozed through in the eighth. Run No. 4 was garnered in the ninth.

The "Wild Cats" sure ran wild in their first session at the bat, and clouted out five juicy runs, putting the game on the safe side of the ledger from the "kick-off." The damage was done by two bases on balls, a sacrifice and a pair of doubles.

The second inning produced nothing in the scoring line, but in the third, four more runs were chalked up, followed by one more in the fifth, and another for good measure in the eighth.

Cowdrick twirled for the "Wild Cats" and held the heavy hitting farmers to eight hits. The feature of the game was a throw by Linsenbiger from centre, on which he caught the runner at second on an attempt to get two bases on a hit to the track. It was as nifty a piece of fielding as was ever seen on the local diamond and got "Jobbery" a great hand from the fans.

The score in detail follows:

The Children's Party.

Many people giving entertainments to children make the mistake of allowing them to play at games that are too exciting and heating or too long. It does not matter how much running about there is during the earliest part of the party, but for some time before the kiddies are due to go home, quiet, sit-down games should be arranged.

Gingham Frocks

Adopt Organdie Trimmings

Ginghams and sheer organdies are closely allied this season and it must be admitted that few fabric combinations achieve greater distinction.

These Frocks are all refreshingly simple, in style—a gingham bound apron tunic of organdie, a sash or sheer collar and cuff are in some instances all the elaboration they boast.

You will admire the smart patterns of their fabrics, too, the neat checks, plaids and stripes, but, most of all, we feel you will be impressed with the extreme moderateness of their pricings.
